Reynolds, Reginald, 1905-

Cleanliness and godliness; or, The further metamorphosis, a discussion of the problems of sanitation raised by Sir John Harington, together with reflections upon further progress recorded since that excellent knight, by his invention of the metamorphosed Ajax, father of conveniences, revolutionised the system of sanitation in this country but raised at the same time fresh problems for posterity which are discussed in all their implications, with numerous digressions upon all aspects of cleanliness, by the author, Reginald Reynolds ...
